NWMCP Strategic Planning Update April 2024 Update

I want to thank everyone who came to our Holy Week services this year. The attendance was made up of a mix of people from all three parishes who came together as one congregation journeying toward the Resurrection. They were truly beautiful services filled with reverence. Thank you for being a part of it.

The Facilities & Finance Workgroup presented to all three parish Finance Councils on Thursday, April 18th. Topics included:

1. Financial projections for the next three fiscal years for all three parishes, both separately and collectively; and
2. A major capital needs assessment for 3-5 years and 5+ years for all three parishes.

In the next couple of months, the Facilities & Finance Workgroup will continue to look at different strategies to address the situations that will be affecting us in the upcoming years. We appreciate the time and effort this group is contributing to help plan our future.

Thank you for your continued prayers for our parishes.

Yours in Christ,
